PARAMUS, NJ (January 24, 2024) – [Pinstripes](#), the acclaimed experiential dining and entertainment destination, has announced that it will open at the Westfield Garden State Plaza shopping center in Paramus, New Jersey on February 16, 2024. The brand's first New Jersey location (and 16th location nationwide) will feature a full-service bistro serving chef-driven Italian-American cuisine and handcrafted cocktails, 13 bowling lanes, three bocce courts and three private event spaces for groups of up to 1,000 people.

"Pinstripes will bring more than 30,000 square feet of sophisticated fun to Westfield Garden State Plaza and will provide Paramus residents and visitors with a fantastic new destination to dine, play and celebrate with friends and family," said Pinstripes founder and CEO Dale Schwartz. "We're excited to welcome our first guests in New Jersey to experience a modern twist on dining, entertainment and events."

Occupying 31,221 square feet of dining and gaming across two floors, Pinstripes Paramus' ground-floor 107-seat bistro features an extensive menu with enticing seasonal entrées, curated wine list, local beers and craft cocktails. Restaurant-style seating provides flexibility for guests to enjoy their meals at booths, tables surrounding the bar, or in front of big-screen TVs airing major sporting events on the expansive 137-seat, 2,044-square-foot patio.

"Pinstripes is a unique experiential offering that will complement our shopping destination and give our guests another place to gather and create memories with their loved ones," said Wesley Rebisz, senior general manager of Westfield Garden State Plaza. "We are proud to be the first Pinstripes location in New Jersey and look forward to introducing its vibrant environment to the community."

Upon opening, Pinstripes Paramus intends to host a high volume of private corporate and social events – targeting 1,000 events within its first year of operation – making it a true social hub for the greater community.

Pinstripes Paramus' elevated menu of made-from-scratch recipes, conceptualized by Chief Culinary Officer Cesar Gutierrez and Executive Chef Douglas Geraghty, features house-made Italian-American classics, including rotating seasonal specialties prepared with fresh, locally sourced ingredients. entrées such as the **Maple-Glazed Salmon** with Mediterranean grains, cucumber grape tomato, pesto and calabrese sauce or **Peppercorn-Crusted Rib-Eye** served with Brussels sprouts, creamy polenta, calabrese pepper and bordelaise sauce.

Guests can satisfy their sweet tooth with a selection of dreamy desserts, including a seasonal array of homemade Italian gelato or the brand's **Classic Tiramisu**, served with whipped mascarpone, ladyfingers and La Colombe coffee.
